

Outdoor Unit

This exploded view diagram illustrates the assembly of an outdoor unit. The components are labeled with reference numerals as follows:

- 0330**: Top cover plate.
- 0211**: Main outer casing.
- 0210**: Circular fan grille.
- 4431**: Fan assembly with blades.
- 4400**: Motor for the fan.
- 0340**: Side panel or duct component.
- 7400**: Large rectangular duct or housing section.
- 0334**: Grille or filter assembly at the top.
- 4200**: Two cylindrical components, likely capacitors or filters.
- 0470**: Small connector or plug.
- 5263**: Long, thin rectangular component.
- 5260**: Another long, thin rectangular component.
- 5261**: Small bracket or clip.
- 0250**: Internal structural frame or support.
- 5262**: Small rectangular plate.
- 1110**: Small rectangular component, possibly a sensor or control module.
- 0331**: Small rectangular component.
- 0332**: Another small rectangular component.
- 7814**: Four corner mounting brackets.
- 7812**: Two side mounting brackets.
- 7816**: Cable or hose connector.
- 7817**: Cable or hose connector.
- 0333**: Bottom panel or base.
- 4020**: Two cylindrical components, likely capacitors or filters.
- 7940** and **7818**: Electrical or fluid connection points.
